

Culminating Activity # 2

Designing a UDL Lesson Plan

- Your job is to create any lesson plan of your choice (*ex. teaching fractions, making a PBJ, tying shoes, etc.*) that **incorporates each of the 3 UDL Guidelines.**
- **Requirements:**
 - You may use any format of your choice
 - Your lesson can be on any topic
 - You should plan for at least 30 minutes worth of activity
 - Label each of the 3 guidelines as they occur in your lesson plan
 - **NOTE:** It may be helpful to use the UDL planner to plan for “barriers” in advance
